Mr. Chris Jones  
Senior Campaign Finance Analyst  
Reports Analysis Division  
Federal Election Commission  
999 E Street NW  
Washington, DC 20463

Dear Mr. Jones:

Alexander for Senate 2008, Inc. (FEC ID# C00383745) is in receipt of your Request for Additional Information dated November 8, 2007, with respect to our October 2007 quarterly report.

The transfer receipts disclosed on this report from The Senators Classic joint fundraising committee (in which we are a participant) included residual allocations from donors disclosed on our July 2007 quarterly report. Overall, we have reported memo entry itemizations totaling \$ 41,425.24, against net transfer receipts of \$ 31,796.11, so the memo schedules do as your letter indicates exceed the actual transfers.

We have reviewed all our listings on Schedule A for Line 11c. For each entry involving initials, we have included either the organization's complete name, or the FEC committee identification number, based on the information available from the FEC website, and those amended Schedule A pages are enclosed.

Finally, we have amended "GOTV Consulting" descriptions to include "Consultant Get-Out-the-Vote", a purpose of disbursement now deemed sufficient by the Commission's new guidelines issued earlier this year. Those amended Schedule B pages are enclosed.

Sincerely:

Keith A. Davis, Treasurer  
Alexander for Senate 2008, Inc.

Encls.
